THE SHAH

The U.S. regarded Mohammed Reza Pahlavi as principally responsible for high oil prices.

The report, based mostly on documents found at the Gerald R. Ford Presidential Library in Ann Arbor, Mich., suggests Pahlavi was responsible for paying tribute to Iran's 1975 oil embargo, which lasted more than 30 years and worked. It is unclear whether the Pahlavi's oil embargo, which lasted more than 30 years and worked. It is unclear whether the
